## School Calendar 2019

Dear Parents/Carers,

The Wincham Family & Friends school calendar photoshoot is planned for Friday 12th October. Thank you in advance for the time and effort that will no doubt be put into the costumes and props. We intend to have printouts of the photos on display in the hall at Parents' Evening. Of course, if you do not want your child to take part please let your class teacher know.

This year's theme is based around Countries and the design and artwork will be underway soon after the photos are taken. The calendars make a great keepsake as well as a useful tool throughout the year. They are also ideal Christmas presents for grandparents and other family members!

As with previous years, the calendars will be printed as A3 (twice the size of A4) and will be available in a choice of styles – a **traditional calendar design** and a **family organiser**. In each case each month features one class, key school dates, plus plenty of space to write your own notes in.

The calendars are printed to order so we need to know in advance how many we need – they cost **just £7.50 per copy** and you can order as many as you require.

We would be very grateful if you could complete the form below and return it to school with payment by **Monday 12th November 2018**.

Kind regards

Wincham Family & Friends
