Calling all children who love to CRAFT.

I am pleased to confirm craft club will be running next half term for Key Stage 2 (Thursday).

The aim of the Club is to teach children new skills and promote mindfulness using a wide range of different craft techniques, both modern and traditional, whilst they complete both small and large projects. Your child will have fun in a small, friendly environment whilst producing their own unique crafts. Where possible, sustainability will be emphasised and the children will be encouraged to consider how their crafts fit with the need to repair, reuse and recycle.

The club will run after school from 3.25 to 4.25 pm at a cost of £6.50 per session to include all materials. Sessions are paid for in advance per half term.

Key Stage 2 classes will run on Thursdays. The children will be producing Easter decorations.

Please email me on coolkcrafts@gmail.com if you are interested in a place for your child with classes starting w/c 27th February.

First come, first served! If I run out of places your child can be placed on a waiting list in case a place becomes available at the last minute.

Thank you.

Amanda Rowlands
