

Have you found **your child's nursery** yet?

Our Butterflies Nursery is a happy and exciting place for your child to start their educational journey.

Places available for
**up to 30 hours of
FREE childcare
for 3 & 4 year
olds***

We know that you'll want to be certain of the best possible care for your child as they take their first steps in education.

At Wincham Butterflies Nursery your child will be looked after by our qualified teachers who will support them as they get used to the move from home to nursery. They'll be encouraged and cared for as they learn and socialise with other children and you'll know that they are in a safe, well resourced environment.

*We offer a flexible package using the government's 15 (or 30 if eligible) hours of free childcare for 3 and 4 year olds, with additional hours if required.

To find out more or to arrange a visit please call **01606 288060** or go to **www.WinchamButterfliesNursery.co.uk**
