

Dear Parents,

The *Story Steps Creative Storytelling* Club is an exciting opportunity for children to develop their oral language in an engaging and creative way.

During each half term, the children will be given ownership to build their own stories and to develop their ideas through critical thinking, problem solving and collaborative activities. There will be a variety of activities and different approaches to engage the children.

Oral language will be developed through generating and discussing ideas, debate and expressing simple views, role play activities and presenting elements of a story. Confidence and more ambitious language choices will be developed through structuring sentences in a variety of ways. The children will also continue to build a rich and varied vocabulary by exploring and playing with language and improving on word choices.

The sessions cost £5 each and are paid in advance each half-term. The club will be held after school on Tuesdays from 3.15pm - 4.15pm.

If you are interested in booking a place in the club or would like any further information, please email [bspokeliteracy@gmail.com](mailto:bspokeliteracy@gmail.com).

Many thanks,

**Mrs F. Ogden**
